

Array storage , Render function

and the add handler:-

→ Array storage:

Let

Array = []

Array.push(value);

["Ali", "Hassan", "Zain"]

→ ye sab array ki storage
ban jay ge.

Render-function:-

→ Is ka kam hata hai
the array ke andar jo bhi
data hai os ko screen
par display krwan

→ Matlab ager hum to
do list ko html page

par show krwa rahe hei to
isi ki waja se.

Add handler :-

Is ka kam
hei jese hi button par
click ho apna process
start kar do.
